PROVIDING HOMES THAT ARE "INNS"
OF FAITH, HOPE & PRAYER

Prayer of St. Gertrude for Holy Souls in Purgatory

Eternal Father, I offer thee the most precious blood of thy Divine Son, Jesus,
in union with the Masses said throughout the world today,
for all the Holy Souls in purgatory,
for sinners everywhere,
for sinners in the universal church,
those in my own home and within my family.

God's Divine Providence

Ever since I let go and let God my life has beautifully slowly fallen into place. Sometimes I feel confused about school and what path I want to take, but that's when I sit in the chapel with God and he helps me carry my burdens and leads me to the right path. He has blessed me in so many ways, I can't even count them all. In the mornings when I wake and look at my split image of me, my best friend, the love of my life **my son**, I know how blessed I am. Financial aid has been a blessing, as well as a car to get back and forth on my daily commute. Words can't explain how many blessings come your way when you let go and let God.

I would like to take this opportunity to say a special "thank you" to all that have helped me with Eye Surgery for both of my eyes! May God bless you as I know that he certainly does! This has been a very exciting time in my life, as I can now see very well out of both eyes! I am truly thankful, and pray for all of you that have contributed to my surgeries!

This is a wonderful time in my life! I work for a non-profit organization in Denver, and it is a joy to do my work and help my co-workers to aid those in need of jobs, housing, and laundry services, shower services, and get the appropriate help that they need. I appreciate having my eyesight back to 20/20 in order to do my work well.

The good vision in both eyes is a miracle and I feel truly blessed! I will continue to help those in need at my work, as well as help those that I meet on a daily basis through the Lord!

May God Bless you all! Thank you again for your support, prayers and contributions to my eye surgeries! You are in my thoughts, and my thankful prayers!

Sincerely,

Vicki

God's Divine Providence

Be it done unto me according to thy word! ; and she conceived by the Holy Spirit and became the Mother of God and our Mother.

As mother she shows us how to love, trust, embrace all our brothers and sisters, to serve, to be kind and compassionate. She brings us closer to her Son and our Savior.

Through her poverty, with St. Joseph, she brings to us the ways of joy in poverty by relying on God's Divine Providence and ever mindful of the beautiful words "Jesus, I trust in You." Her trust was and is perfect. She knew God would provide for all their needs and the needs of all who are called to serve him and others.

In Matthew 6; 25-34 Jesus confirms how He provides. He says "Therefore I tell you, do not worry about your life, what you will eat (or drink) or about your body, what you will wear. Is not life more than food and the body more than clothing? Look at the birds in the sky, they do not sow or reap, they gather nothing into barns. Are not you more important than they? Can any of you by worrying add a single moment to your life span? Why are you anxious about clothes? Learn from the way the wild flowers grow. They do not work or spin. But I tell you that even Solomon in all his splendor was clothed like one of them. If God so clothes the grass of the field, which grows today and is thrown into the oven tomorrow, will He not much more provide for you, O you of little faith? So do not worry and say, what are we to eat? Or what are we to drink? Or what are we to wear? All these things the pagans seek. Your heavenly Father knows that you need them all. But seek first the kingdom of God and His righteousness, and all these things will be given you besides. Do not worry about tomorrow, tomorrow will take care of itself."

Mary homes of Hope relies on Divine Providence and as we reflect on true poverty we are reminded of these most profound words of St Padre Pio, "Pray- Trust and do not worry."

Please pray for special intentions for Our Blessed Mother's home and the work of our hands and hearts. You are in our prayers.

This journey of Advent also begins with Mary's journey of great anticipation of the birth of her Son and the Savior of the world. Her great joy is twofold her Son and us.

Have a blessed Advent and joyful anticipation of Who is to come!
