New Births

"I bring you good news of great joy...today in the city of David a Savior has been born to you who is Christ, the Lord." (Luke 2:10-11)

We have been part of many "births" over the last twenty years. Some have been newborn babies, and some have been the birth of faith and gift of His Church. We share some of the remarkable "miracles" God has brought through His Mother and St. Joseph.

Nicole was one of the first moms who became part of the very first maternity home. She had no where to go and was frightened as to what to do about being pregnant. She was assured that she would receive the help she needed and the opportunities to help her ultimately be on her own and take care of her child. Most of all she would live in a home that provided an atmosphere of love and hope and would draw her closer to God.

Her delivery date was approaching quickly, but she didn't have a name for her son. I told her to pray about it and ask God for a name because God names us all. Sure enough. She asked God and He revealed a name to her – Malachi, which means "My Messenger."

Soon after Malachi's birth they moved on their own. God placed a God-loving man in her life, Jason. They got married and now have FIVE beautiful children.

The miracle and blessing is that Nicole came from being a frightened pregnant mom to becoming a truly pro-life mom who is in love with God.

From our most recent mom and daughter...a love note to you:

"I would like to express my deep-felt gratitude from the bottom of my heart to everyone who has made Mary's Homes of Hope possible. I would like to extend my gratitude to Mother Mary of Jesus who referred us, and to Lynn for welcoming us into this lovely home, and for all your support during our transition. This home has allowed us to have a peaceful and safe place to stay. My daughter and I feel very blessed to be here."

"Wishing you all a blessed Christmas."

Soledad and Elizabeth F.

Vicki sends her love and gratitude and shares that this year has been busy for her. She is working from home and really enjoys it. It has been a very productive year.

All of you are God's gifts to us. Your continued prayers and support bring more "new births." Thank you for sharing the good news of great joy...Christ the Lord.
