

*“Every day He humbles Himself just as He did when He came from His throne into the Virgin’s womb. Every day He comes to us and lets us see Him in lowliness when He descends from the bosom of the Father into the hands of the priest at the altar.”*

St. Francis of Assisi

## His Presence!

“I will be with you until the end of time.”

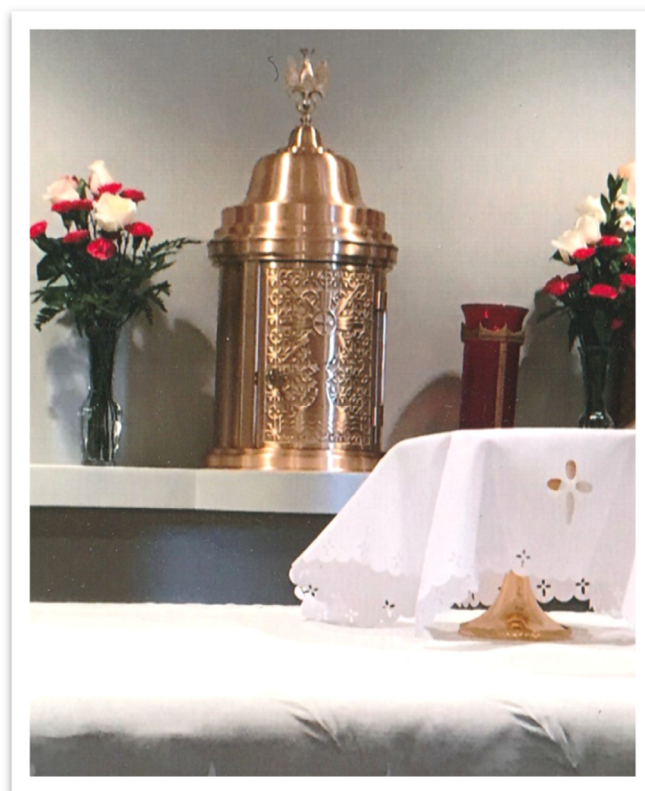

Christ is with us till the end of time in the Eucharist, in every Catholic Church, in every tabernacle, and in every chapel so that we can truly be with His Real Presence.

We can receive Him, worship Him, adore Him, and have a personal relationship with Him that sets us on a journey of a stronger and deeper faith that gets us home.

So great the gift of the chapel at Mary’s Homes of Hope for all who come, those who have experienced a great love, a change, a conversion, His hope.

He chose this home with His Mother and St. Joseph to be here for many. He’s here. He will not leave us. He will not abandon us. He has chosen us!

*O Mary, gentle and humble of heart, remember us when we sin. You know that all people sin. Grant that through your most pure and motherly heart, we may be healed from every spiritual sickness. Grant that we may always experience the goodness of your motherly heart, and that through the flame of your heart we may be converted. Amen.*

## Her Presence!

Our dearest Mother Mary has brought many to Her home so they can be assured of a plan to belong, a place to be safe, a place free from harm, and a place to grow in faith.

Then She takes them to the Real Presence of Her Son in the chapel to let them know how much more they are loved, how precious and important they are to Him, and to assure them that He will take them on a journey of salvation and make it to heaven.

Mary stands in front of us to shield and protect us because we can't on our own. No one takes away what has been given through Her.

We thank Our Mother, we love Our Mother, and we honor Our Mother.

Happy feast day of Your assumption! (August 15).

## Gifts and Miracles

Juan, who visited Mary's Homes of Hope on the day MHOH resident, Vicki died, asked what MHOH was about. When sharing the mission and the community Juan shared how he had fallen away from his Catholic faith. I asked if he would like to visit the chapel. He agreed. After a few moments in the chapel, he came to us and said that it's time for him to come back to his Catholic faith. AMEN!

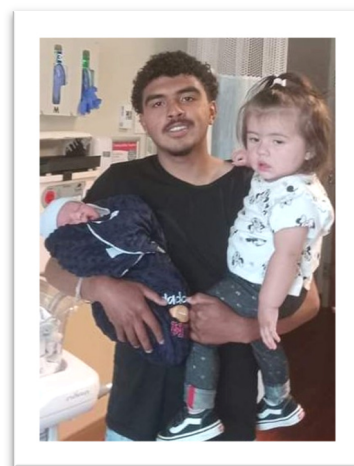

Selena, who came to MHOH with an abortion-minded mindset, had a change of heart and gave birth to her little girl in July.

Malachi and Olivia came by for help for their soon-to-be-born baby boy and their two-year old daughter. God provided and Nehemiah was born in early July weighing over eight pounds!

They continue to be a part of MHOH and are thankful God is in their lives.

We welcome a mom and her daughter as new residents who look forward to being a part of Mary's Homes of Hope. They look forward to visiting with Jesus, in His Real Presence in the Eucharist often. They see the gift of being able to grow stronger in faith and to be able to have a home of their own.

Soledad and Elizabeth Jayna have been with us since October and continue to live out their strong Catholic faith.
